

How to Locate a Book Binding

1. Find desired binding in directory
2. Find the 'Location on Wall' column for desired binding.
3. The first word (Main or Upper) tells the location of the binding. Either the main floor the upper floor.
4. The letter denotes which row the binding is located (see diagrams).
5. Lastly, the words (left, center, right) determine which column the binding is located(see diagrams). Note: The main level display has left, center and right while the upper level display has only left and right
